

MEGASOL®

The Glide Company

Confirmation for the CE-label respecting the § 6 of the medicine product law in silicone based lubricants - for use with latex condoms

Hereby, the Manufacturer **MEGASOL COSMETIC GmbH** reports that the following medical products belonging to class I:

- Doer Medical Silk
- Doer Medical Aloe Vera & Vitamin E

...has accomplished the procedure after appendix VII following the guidelines 93/42/EWG.
That certification counts since August 2nd 2004.

It is confirmed that all the above listed lubricants:

- Are suitable for use with latex condoms
- Do fulfill the requirements of the biocompatibility in the context of a striking and a mucous membrane compatibility testing

Manufacturer: **MEGASOL COSMETIC GmbH**
